To Whom It May Concern:

I had the pleasure of working with Joe Manning while consulting with Local 103 I.B.E.W. on a variety of projects including organizational structure, sales forecasting and marketing initiatives. Joe is a thoughtful, organized professional who is skilled in the design, planning and implementation of marketing programs. He provides Local 103 with clear and concise marketing information and is instrumental in developing key programs to keep business agents and the business manager in the forefront of the construction industry.

Sincerely,

A handwritten signature in black ink that reads "Chris". The letters are cursive and fluid.
